CORONAVIRUS

Due to the rapidly evolving situation **all** current and future bookings for Physiotherapy and Mental Health Support are now suspended. No applications will be processed for the foreseeable future.

The safety and health of our staff and those who we look after is of paramount importance and we apologise again for any inconvenience that this closure will cause.

We are monitoring the situation as it develops and will be guided by Government and Department of Health directives. We look forward to reopening as soon as it is deemed safe so that we can continue to support the police as this Charity has done for the past 130 years.

Do not ring the Centre and instead monitor our Website for further updates.

Stay safe, to keep us safe.
